## Wheel Of Time

The wheel of time  
Is like an endless stream  
Is it real  
Or is it just a dream?

Listen to this  
You better keep in mind  
Before you start to run  
Just seek and you will find

I will shelter you  
From the raindrops falling on your skin  
I will promise you  
Every time I'll be so close to you

Forever you will search the truth  
About this dream  
The wheel of time is turning  
Like an endless stream

Forever you will search the truth  
My dear friend  
The wheel of time keeps turning  
There'll never be an end

The wheel of time  
Is always on our side  
It's part of our lives  
You never need to hide

Listen to this  
Everything is in a flow  
To believe in ourselves  
Is the only way to go

I will carry you  
When you spread your wings and start to fly  
I will follow you  
You're my angel in the deep blue sky
