

LICHTMOND

Soul Affinity

No sight could be as gentle
as the softness in your eyes
no words could have more meaning
than the message in your sighs

Touch me now
amazing - electric kind of feeling
and nothing is the way it was
two hearts that meld for healing

A spark became a flame
and everything was clear
when my soul touched another
and they knew each others name

Poem: Gabi Koppehele

Eversince I met you
My life's full of hope
In a sweet little moment
You touched my soul
Don't need eyes to see you
Beneath the stars
Don't need ears to hear you
I know where you are

Everlasting moments
Between you and me
A blind understanding
Is all we need
An everlasting story
This love is to stay
No one else will guide me
Along my way
